GHOSTS OF MACHU PICCHU

Watch it at: <http://video.pbs.org/video/1392958573/>

1. **True or False:** There are many carvings all over the city that scientists can't decipher. Explain why.
2. The Inca rose to power in the mid-1400's, in part, because they built such good _____.
3. The Inca had a counting system, using _____.
4. The skulls at the burial site are full of _____. This indicates the people weren't builders, but _____.
5. Why would building Machu Picchu be an engineering nightmare? **List three reasons** why building would be difficult:
6. What's your reaction to the 500-year old mummy of the Incan girl? It's in an Argentine museum right now- should it be on display for the public to see?
7. What food was primarily grown at the site? What clues does this give us about the people who lived there?
8. In conclusion, what was Machu Picchu?
9. What did the Inca do to the bodies of their deceased kings? (Hint - listen to the part about beef jerky.)
10. Why didn't the Spanish destroy Machu Picchu?
